Application Questions

Instructions: Please keep your answers concise and do not exceed 2,500 characters (including spaces) per response. All questions require a response, so please indicate "not applicable" if a question does not apply to your agency/organization.

If you are seeking accreditation as a dual sexual and domestic violence agency, you must provide information regarding the services offered by both aspects of your program.

Introduction

1. Please describe any major changes that have occurred within your agency in the last three years. For example, have any significant changes been made to any of your policies? Have there been any changes in leadership positions or have any new positions been added? Is your agency offering any new programming? Has your agency discontinued any services or limited your service area?

2. If your agency utilizes volunteers and/or interns, in what areas of the agency do the volunteers and/or interns work? What tasks do they perform on a regular basis?

Administration

Standard #2

3. Describe the ongoing training process for supervisors, including how this supports their management, supervision, and trauma stewardship responsibilities.

4. In the past year, have you made any exceptions to the training requirements? If so, please explain why.

Standard #3

5. How would your agency ensure there is no interruption of core services in the event of a reduction or discontinuation of funding? Core services include a hotline, provisions for emergency housing, and emergency accompaniment for victims of sexual and/or domestic violence.

6. How are staff made aware that they have the option to grieve to the board of directors if they are not satisfied with a grievance response from agency leadership? Have all staff been provided with the contact information for the Chairperson of the board to facilitate this process?

Standard #4

7. How many training sessions are provided for the board of directors' ongoing development each year?

8. What is the process for having the board of directors review all agency policies every three years? How is this documented?

Standard #5

9. How often are your background and driving record checks updated?

Standard #6

10. How is the data that your agency collects used in program planning?

Standard #8

11. Describe how your agency demonstrates cultural humility in its sexual and/or domestic violence service delivery. For example, have you changed your service practices because of any training information you have received?

Crisis Intervention

Standard #12

12. If your agency maintains an emergency shelter that does not meet the requirements of the Americans with Disabilities Act, what is the process to secure accommodations appropriate to meet the needs of a client with disabilities?

Advocacy

Standard #13

13. Describe the range of individualized advocacy services provided by your agency. These must, at a minimum, include justice system advocacy, case management, supportive counseling, and referral resources.

Standard #15

14. How does your agency identify the diverse needs of the community? Describe at least two methods.

15. What are the populations within your service area you have identified within the last three years who may need specialized advocacy services or population-specific interventions?

16. Regarding the populations identified in the previous question, how has your agency worked to provide a range of specialized advocacy services to those populations?

Engagement

Standard #16

17. Please describe the outreach activities promoting your agency's services completed by your staff or volunteers in the past year. These may include tabling at community events, flyers or brochures, speaking engagements, prevention activities or initiatives, etc.

18. How does your agency engage in initiatives and activities that raise awareness, advocate for survivor access to resources, promote systemic change, and support the development of healthy relationships and healthy sexuality?

19. Describe your collaborative work with other local service providers in meeting the needs of sexual and domestic violence survivors.

Standard #17

20. Describe the role your agency plays in the sexual and/or domestic violence focused community groups within your service areas (Domestic Violence Council, Sexual Assault Response Teams, Inter-Agency Councils, or others).

21. Describe the training or education presentations relating to sexual or domestic violence that your agency has provided to allied professionals in the past year.

ATTACHMENTS

Instructions: For all uploaded files, please include your agency or organization name in the file name so we can easily identify them as belonging with your application. A file is required to be uploaded for each question. If you do not have a requested document, you may upload a document that states "our agency does not currently have this document" or a similar statement.

Administration

Standards #1- #9

1. A written training plan that meets the requirements of the Training Matrix (Pages 15-17 of the [Professional Standards Manual](#)).
2. A written staff grievance policy.
3. By-laws for Board of Directors (*nonprofit agencies only*).
4. Data report of client demographics.
5. A written language access plan, which includes the provision of relay services for the Deaf or hard of hearing.
6. A written client grievance policy that is available to each agency participant.

Crisis Intervention

Standard #12

7. Written protocol for addressing shelter requests, including those that cannot be met and those that originate outside your service area. These protocols must include collaborative efforts across agencies to directly connect survivors in imminent danger to appropriate resources.

Plans of Action

Applicants are encouraged to submit plans of action and timelines for any unmet standards at the time of application. To include plans of action and timelines for unmet standards with your application, please upload them into the fields below.

Plans should (a) include specific objectives and the tasks necessary to accomplish those objectives, (b) name the individuals or groups responsible for each task, (c) provide dates by which tasks will be completed, and (d) specify how success will be measured or gauged, if appropriate.

(Allows for up to 5 items to be uploaded)
