

VIRGINIA D.A.R.E. TRAINING CENTER

The Virginia D.A.R.E. Training Center is excited to release the Virginia Standards of Learning (SOL) Correlation Guides for both elementary and middle school D.A.R.E. Programs. This project was led by one of our D.A.R.E. Educators Bonnie Bazemore.

Please feel free to share these documents with your teachers, principals and district office officials. These guides will help school districts align the work of D.A.R.E. Officers with the needs of classroom instruction. If a school district is considering starting or re-implementing D.A.R.E., this information will be very helpful in their research of the “Keepin it Real” D.A.R.E. curriculums.

These documents can also be downloaded from our website at www.vadare.com and click under Training.

If you or your school district has any questions regarding this material, please don't hesitate to contact us.
