

SAFE HAVEN DEFENSE

TRANSFORM YOUR GLASS INTO A SHIELD

Ideal for educational facilities, corporations, government buildings, police and military, places of worship, financial institutions, and more

Safe Haven Defense revolutionary glass laminate fortifies your structure with unequalled strength. Protects against bullets from handguns, shotguns and AR-15 rifles, as well as forced entry, riots, blasts, and hurricanes. Our laminate is applied on-site over existing glass as thin as $\frac{1}{4}$ inch with no modifications or retrofitting required and comes with a ten-year warranty.

Three Levels of Protection to Choose From

Bullet Resistant

- Protects against handguns, shotguns and AR-15 rifles
- Unidirectional-Prevents assailants from shooting in while allowing defensive shots to penetrate through

Riot Resistant

- Protects against forced entry for up to 58 minutes, allowing time to seek assistance while keeping individuals and property safe inside

Forced-Entry Resistant

- Protects against forced entry for up to 15 minutes, allowing time to seek assistance while keeping individuals and property safe inside
