

REQUEST FOR WAIVER

Applicant agencies may apply for waivers for individual standards or bullets. The Accreditation Center staff will review these waiver requests and advise the agency of their initial applicability. Waivers will be considered on a case-by-case basis and generally will be granted in those instances where the required function is not within the agency's scope of responsibilities. The on-site team has the authority to override waivers initially recommended or denied by program staff and to grant waivers when appropriate. Appeals to waiver decisions can be made through Program Staff to the Chairperson of the Commission, whose decision is final.
